

# FREE QUALIFICATION

## AN EXCLUSIVE OPPORTUNITY for WEST COASTERS

Are you interested in a FREE program that will support an established, new or emerging business?

Would you like support in any of the following areas?

- Managing COVID's 'curve balls'
- Marketing your business
- Making the most of online opportunities
- Social Media
- Business compliance
- Money & finances
- Growing business relationships
- Being creative
- Business plans
- Writing documents
- Business leadership

How will the program work?

1. The focus is on **you** and **your business**.
2. Group sessions at local venues
3. Experts come to you, on the West Coast
4. Individual coaching and mentoring support tailored to your business needs
5. Support is dependent on what you know and can already do

The bonus is that you will receive a nationally recognised qualification, **Certificate IV in Business**, when you complete the program.

Who will work with you?

Learning Partners, who is a Tasmanian owned small business.

We work extensively with business owners nationally.

We partner with people for positive change.

The Directors are personally committed to the people and the growth of the West Coast.
